The First Tee of the Triad

THE GABBY CADDIE

#Giving Tuesday is December 3rd, 2019 this year. Please join the #Giving Tuesday movement by supporting The First Tee of the Triad. Whether your contribution is money, time or a donation, you can be positive that your gift is making an impact in the lives of children within the Triad region. 2019 was a year of change and program development for The First Tee of the Triad. We hope next year we will be able to implement more experiences and opportunities, helping us to impact the lives of more children within our community. Help us finish out the year better than ever as we prepare for 2020 by partnering with us this **#Giving Tuesday**.

The First Tee of the Triad 2019 Annual Giving

The First Tee of the Triad impacts the lives of children through life skills and character development programming. Teaching Nine Core Values and Nine Healthy Habits through the game of golf, The First Tee of the Triad is instilling life lessons that are truly making a difference in the lives of children within our community.

The First Tee of the Triad is currently in its twelfth season, providing instruction all year round, including summer camps/clinics and a Girls Only Winter Session. This year, we also implemented a few new programs including a Golf Skills Class, which is available to all participants throughout the year, and a Parent-Child Series. In 2019, we have served over 1,400 participants, utilizing over 300 phenomenal Coach/Volunteers at 18 locations throughout the Triad region. Additionally, The First Tee of the Triad is in over 160 elementary schools and 8 middle schools in the Triad region, reaching approximately 68,000 students each year.

None of this would be possible without generous donors like you. We are asking for your support so we can continue to grow and expand our impact. Thank you for your consideration and we greatly appreciate your contributions!
